Re: Donation 2016-52700 for Playground Equipment

To all of our Friends at The Optimist Club of Twin Falls,

Greetings from the Twin Falls School District Education Foundation! We hope this finds you well, and preparing for winter and upcoming holiday season.

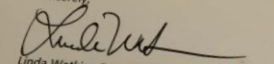

Thank you so much for your generous donation to help with playground equipment purchases. We are always excited to receive donations for items that the students can use immediately. As you can imagine ☺, recess and activity, is extremely important to the students. Getting fresh air, and burning off some energy is good for everyone. Our playgrounds get so much use, and having new equipment helps excite the students to play and move more.

Your donation, along with additional funds received from Modern Woodman of Twin Falls, will help supply each of our nine elementary schools with fresh equipment! The students will be thrilled! The Foundation provided no goods, or services, in whole or part, for this contribution.

Thank you again for this lovely donation! The Optimist Club is a wonderful addition to our community and we appreciate all you do to make the Magic Valley such an amazing place to live.

Wishing you all a joyful holiday season!

Sincerely,

Linda Watkins-Executive Director
Twin Falls School District Education Foundation
